To whom it may concern:

It gives me great pleasure to write this letter of recommendation for both Daniel and Jessica Paul with their business Heart and Home in Home Care LLC. I have worked side-by-side with Daniel for the last seven years. Daniel is a very likeable person and well respected by his peers. His manner is professional, knowledgeable, and honest. Jessica is reliable, compassionate, and her work ethic is undeniably exceptional. Together they make an unheard-of team approach to focus on the care they provide to seniors and their families! I am confident they will make a positive impact on anyone they encompass to serve! I am delighted to welcome them on their new endeavor in servicing our community!

Please do not hesitate on contacting me at (309)-351-0240 or email me at neurogb@yahoo.com if you have any further questions or requests.

Sincerely,

A handwritten signature in black ink that reads "Marc Katchen MD". The signature is written in a cursive style with a large, stylized "M" and "K".
